

GRASSROOTS PARTNERSHIP WITH AFRICA

Sudanese Orphan Sponsorship Program

Program Overview

Lahash has partnered with the Amazing Grace Orphanage and St. Bartholomew's Orphanage for over 4 years. The orphanages are run by Susan Abiku Tabia and are home to over 70 Sudanese orphan children whose lives were disrupted by the war and disease in Southern Sudan. The children live in dorms in the orphanages, and are cared for by a team of widows and other caretakers. Through this program, each child is enabled the chance to attend school, receive medical assistance, eat, and have shoes and clothes provided - all in a loving environment dedicated to their holistic health - mental, emotional, physical, and spiritual.

Program Details

Each child requires a commitment of \$30 per month. Of this total, 4% is used for administration costs. The remaining total is sent to the orphanages for the direct and compassionate care of the child you have chosen. This means each month the child can attend school, have a uniform and books paid for, eat, and have his/her medical needs cared for.

After you choose a child from the online list, please email meri@lahash.net to let our Sponsorship Director know which child you've chosen. Then fill out and mail the form below and you'll receive a full packet from Lahash with further details and a photo of your child. Several times each year you will receive letters from your child, and you'll have the chance to write the child as well.

Because this is a new program, we are asking that sponsors commit to at least one year of sponsorship.

Please remove lower half and send the following information to Lahash.

Child Details:

Name of Child or Children Chosen: _____

Sponsor Details

Complete Name: _____

Address: _____

Phone: _____

Email Address: _____

Please write a check of \$30 to "Lahash" and mail it with this form to the address below:
